

# SUMMER 7 SATURDAYS

Dear Community Member:

The Perry County Council of the Arts and Espresso Yourself Café would like to initiate a series of events called Seven Summer Saturdays. The 2008 schedule is slated to occur on consecutive Saturdays beginning July 5<sup>th</sup> and continuing through August 16<sup>th</sup>. The intent is to draw attention to the local restaurants and businesses and the overall community spirit of Newport through joint advertising and publicized scheduled events. The following is a listing of dates and themes for each Saturday:

*\*See the sample brochure for more details.*

On these days, businesses will be encouraged to schedule events which are open to the public to attend and to set up sales displays on the sidewalk, if possible. The July 5th Square-wide Sidewalk Sale will only be open to businesses on the square. The Community Yard Sale portion will take place at the Newport playground and will be open for the general public to set up stands.

On the rest of the Saturdays, we would like to welcome vendors such as artists, local churches and non-profits, etc. to set up on the sidewalks. We are asking downtown businesses to share their sidewalk space with these vendors.

Please review the additional forms and let us know of your intent to participate. This event is something we hope to build upon and continue in future years.

Thank you,

Jasmine Campbell & Cheryl Miller
