or Email: volunteers@perrycountyarts.org

Tell us how you want to help: 717-567-7023

For other arts opportunities in the region, please contact our sponsor:

Perry County Council of the Arts (PCCA) has been committed to the cultural health of our communities in Perry, Juniata, Mifflin, Northumberland, Snyder and Union Counties since 1985.

Your time and ideas support local artists, establish creative outlets for youth, and improve our communities!

One of the wonderful things about volunteering is you decide how and when to give. At PCCA, you can help beautify the Landis House, edit the newsletter, update and develop the website, help with mailings, or work at a school for Arts-In-Education. Students needing community service or knowledge-based experience can find many interesting opportunities. PCCA invites citizens of all ages to make a difference and contact us at **717-567-7023** or volunteers@perrycountyarts.org.
